GENERAL INFORMATION

- ☐ Bunbury Cross Country Running Club depends on its members to make it run. Help with set-up and pack-up is much appreciated.
- ☐ Please leave the course as you find it. Leave only footprints behind.

GUIDELINES FOR COURSE SET UP:

- Place the flags/cones so that the next flag/cone can be clearly seen from the previous one.
- Beware of overhanging branches when laying the course.
- In places where the course does not follow a defined track, place two flags/cones side by side to indicate runners must run between the two flags/cones to avoid cutting corners.
- Suggest to arrive for set up at 8am on race day to ensure course is ready for 10am start.
- Place set course length as close as possible to 2.5km. Use yellow cones for 1.5km track, orange for 2.5km course.
- Race organisers please pick the trailer up at the previous week's run.
